SECTION MAINTENANCE  
POLICY K-1

## **MAINTENANCE**

### **1.0 INTRODUCTION:**

The Board recognizes the District's physical assets of facilities, apparatus and equipment represents a significant public investment. Good stewardship of these investments require an on-going maintenance program to ensure the District receives the full benefit of the anticipated life cycle of its assets. The Board directs the Fire Chief to manage the maintenance of the District's physical assets in a manner that maximizes the service life on its physical investments.
